All puppies purchased will have been wormed, administered initial shots and have been examined by Tri County Vets in Seymour Tennessee. AKC registration papers will be provided and all buyers are encouraged to register their puppies. The seller guarantees that the puppies are of sound health and temperament at the time of sale and will be provided with their immunization record. Puppies are guaranteed for 2 years from any major genetics defects. The Failure of the buyer to provide proper veterinarian care, nutrition or to follow recommended immunizations voids this guarantee

Buyers must take the puppy to a vet within 5 days for a physical examination. Failure to do so will void health guarantee. If puppy is determined to be in ill health due to fault of seller, buyer must provide seller documentation from vet within 5 days and a full refund will be provided or puppy can be replaced by seller or seller will pay for vet bills.

The purchased dog may not be used in fighting, sold at a pet store or dropped off at an animal shelter. If the buyer can no longer provide a home to the bullmastiff, it is asked that the buyer return the dog to the seller and they will be reimbursed for any medical expenses they have incurred. Due to the rapid growth of the puppy during its first year of life, it is recommended that puppies avoid jumping from stairs and furniture. If joint damage is occurred due to overuse from continual jumping, seller is not held responsible for joint injury and guarantee is voided for any joint injuries.

Buyers agree to provide dog with good care which includes yearly physical examination, following guidelines for vaccinations and worming and providing proper nutrition. We would love to have pictures e mailed to us at kampbellkennels@yahoo.com every 6 months so we can see how they are doing.

Kampbell Kennels is more than happy to hold your dog while you make arrangements to come pick up your new puppy. For all puppies purchased under the age of 8 weeks, Kampbell Kennels will be more than happy to care for them until they reach 12 weeks of age. All puppies not picked up by 12 weeks will incur a 25.00 a week boarding fee to cover feeding and care and buyer is responsible for any veterinarian bills than may incur during this time period. All puppies purchased after 8 weeks, Kampbell kennels will hold for 3 weeks in order for you to make arrangements to pick up, then boarding charges will incur.
